**Dimensions**  
19" X 1.75" X 8"

The Kendall Howard series of Stationary Keyboard trays are an inexpensive way to mount your keyboards to almost any open racking system. Exceptionally strong and lightweight, this unit will keep your keyboard stable while allowing you room to configure your rack your way.

Our Stationary Keyboard trays are constructed from heavy 14-gauge steel and individually formed to maintain the highest quality. These shelves come with our standard heavy-duty black textured powder coat paint. Units are available in other colors with quantity orders. Ask your customer service representative for customization details.
